ABOUT US

Palekana LLC, an SDVOSB, leverages over 30 years of proven leadership in strategic plan development, implements dynamic performance-tracking systems, and drives transformative change-management initiatives that directly support its clients' missions and objectives.

PAST PERFORMANCE

- Development of Comprehensive Strategic Plans: Led senior workshops crafting transformative strategic plans for Federal, Academia, and Global initiatives.
- Implementation of Change Management Frameworks: Conducted rigorous internal, external scans; delivered highly aligned strategic recommendations.
- Execution of Performance Monitoring Systems: Implemented a robust performance tracking system, generating quarterly progress reports swiftly.
- Cross-Sector Collaboration: Successfully bridged performance gaps through comprehensive communications, enhancing employee engagement.
- Strategic Operations: Seamlessly coordinated departmental initiatives to cascade command-level objectives.
